EnergizeNepal Program (ENEP) Monthly Bulletin

ENEP supported Electrical and Electronics Project Exhibition (EEPEX) 2022 and Encipher Magazine 2022.

ENEP supported EEPEX 2022 and Encipher magazine 2022. The inauguration of the exhibition and launch of the magazine was done on September 15, 2022 at CV Raman Hall amidst a Talk Show.

Project Kick off Meeting

EnergizeNepal Program (ENEP) had a project kick-off meeting on September 18, 2022, with four out of the six projects that had been selected through the fourth call for

submissions for financing support for R&D initiatives.

The meeting, which was attended by Principal Investigators, Activity Leaders, and Research Assistants from the respective projects, was facilitated by Dr. Bijay Thapa, Program Manager, ENEP.

In a brief introduction of ENEP's project management procedures, Dr. Nawaraj Sanjel, Assistant Program Manager, highlighted the key duties and responsibilities of both the Program and the Projects. The administrative and financial officer for ENEP, Ms. Sushma Maharjan, gave a quick review of financial procedures and emphasized the significance of proper paperwork and prior clearance on expenditures from projects that adhere to university guidelines.

Participation on a Panel Discussion

EnergizeNepal Program and GridVille from Kathmandu University participated in Panel Discussion on "Challenges of Net metering in Nepal and way forward" jointly organized by

EnergizeNepal Program (ENEP) Monthly Bulletin

DigoBikas Institute and WindPower Nepal on September 19, 2022. The team actively participated in rigorous discussion and raised the voice to focus on infrastructural development and upgradation of grid system for initiating net metering concept in context of Nepal.
